

**DO YOU USE OR DISTRIBUTE SINGLE-USE FOODSERVICE PACKAGING?**

**ARE YOU RESPONSIBLE FOR THESE PRODUCTS OR IN SALES AND MARKETING FOR A FOODSERVICE OPERATOR OR DISTRIBUTOR?**

**IF SO, BECOME AN FPI AFFILIATE MEMBER TODAY -- AT NO COST!**

For over 75 years, the Foodservice Packaging Institute (FPI) has been the material-neutral trade association for converters, raw material and machinery suppliers of single-use foodservice packaging products. Now, foodservice operators who use foodservice packaging products in their commercial and non-commercial establishments, as well as their distributors and group purchasing organizations, are invited to join FPI – at no cost.

*What are the benefits of being an Affiliate Member?*

As an Affiliate Member, you will receive the Institute's **electronic publications**:

- *Executive Briefs* – a twice-monthly newsletter that reports, in a concise format, the latest foodservice industry news, facts and trends and regulatory updates from North American and beyond.
- *Single Service News* – a semi-annual newsletter that provides FPI members with a recap of meetings and FPI activities.
- *Packaging Innovations & Insights* – a quarterly newsletter that highlights new foodservice packaging products and addresses packaging issues facing many foodservice operators and distributors.
- *Council Communications* – an ad hoc newsletter relating to the activities of the Foodservice Packaging Advisory Council (see below).

You will be invited to the Institute's **semi-annual meetings** and may attend all open sessions. Topics for recent meetings included the process of packaging development, emerging global foodservice markets and materials, sustainability and government regulations impacting packaging manufacturers and their customers.

As an FPI Affiliate Member, you will be eligible for nomination to the Institute's **Foodservice Packaging Advisory Council**, made up of foodservice operators, distributors and group purchasing organizations. The council serves as a discussion forum to address foodservice packaging and packaging issues. The group meets annually at the Institute's Spring Meeting and holds conference calls during the year.

*What are the dues for Affiliate Members?*

**You will not be required to pay dues to FPI** and will only pay meeting fees (at a reduced rate) for any meetings you choose to attend. In return, you will be asked from time to time to participate in brief surveys regarding issues of importance to the foodservice packaging industry.

Should you be nominated to join the Advisory Council, you will not pay a meeting fee, and the Institute will cover your expenses at the meeting.
