

FPI'S AFFILIATE MEMBERSHIP PROGRAM

AN OVERVIEW

ABOUT FPI

ESTABLISHED IN 1933

The only industry trade association in North America solely focused on all foodservice packaging products

- Products include cups, lids, containers, wraps, dinnerware, carry-out bags, cutlery, straws, etc. for prepared foods and beverages sold at foodservice outlets

FPI MEMBERS

MEMBERS INCLUDE:

Converters and their raw material and machinery suppliers (approximately 90% of the industry)

Foodservice distributors and operators

FPI'S CORE VALUE & VISION

FPI believes that single-use foodservice packaging provides sanitary, convenient and economic benefits, which enhance foodservice operators' businesses and their customers' lives.

FPI will be recognized as the leading authority on foodservice packaging in North America so that it may advocate effectively for the industry.

FPI'S MISSION

- Promote the value and benefits of foodservice packaging
 - Encourage the responsible use of foodservice packaging, mitigating any unintended consequences on the environment
 - Serve as the voice of the industry to educate and influence stakeholders
 - Provide a legal forum for the foodservice packaging value chain to network and collaborate
- ... in a cost-effective and transparent manner for members.

ELIGIBILITY FOR FPI MEMBERSHIP
